

The Straits Collection is The Rug Maker's contemporary interpretation of Peranakan or Straits Chinese history and culture, inspired by details in the personal effects of its people and their daily activities.

The 2 most distinctive decorative motifs found on Nyonya wares are undoubtedly the phoenix and the peony, signifying marriage and fertility. The Phoenix is a symbol of the matriarchal infrastructure of a Peranakan household, representing supreme beauty and grace. The Chinese believe that the Phoenix can only be seen in times of order and harmony.
