

Walking distance from the centre of Chinatown in Singapore, Everton Road has a rich Chinese heritage that is reflected in the details in this print.

Green ceramic Chinese roof tiles are shown along the shophouses. To the right of the beautiful phoenix mosaic, Chinese lanterns dance on a string, adding a festive feel. Below the lanterns, the sign board from the famous Ang Ku Kueh shop can be found. Different flavors of this local delight are shown in the foreground. The bright colors of the kueh are mimicked in the rich silk of the fabric cut-out dragons. Characteristic to this area, cheerful Peranakan tiles form a border around the artwork.

This canvas print is a digital reproduction of an original artwork by Deborah McKellar.
