

Take a walk in any garden in Singapore, and you'll catch a whiff of the gentle, floral scent of jasmine. It's a scent very reminiscent of Southeast Asia, and one that is pleasing to most. This is why Jacqueline wanted to craft a scent with jasmine to bring a sense of the great outdoors indoors. The result is the Jasmine & Orange Blossom soy candle, another Oyasumi Scent with a cult fan base. Its gentle, floral scent will transform the indoor space into a flower garden, which is balanced by the herb-y, fresh scent of orange blossom.
