

When Jacqueline's daughter said none of her candles smelled like home, Jacqueline asked her daughter, "What exactly smells like home?" Her daughter pointed to the pandan chiffon cake sitting on the counter, and that's when Jacqueline realized her daughter was right. Because homes weren't meant to smell like spas. They were meant to smell familiar, warm, and comforting.

This sparked Jacqueline's journey to craft the perfect pandan blend. As a result, she created her Pandan & Lemongrass soy candle - Oyasumi's signature scent. Made with actual pandan leaf extract, the herb-y scent and slight sweetness of pandan will impart warmth, while the gentle spice of lemongrass will invigorate the senses.
