

The base image that Analogue was built upon is from a 2020 physical work called 'Implode'. In making Analogue, the artist wanted to bring the original image up to date - dispelling and conquering its failures and mistakes, giving new life to old things, and to make a more coherent and cogent artwork.

Dimensions:

Small: L91 x W91 x H91 cm

Large: L122 x W122 x H122 cm

Primary Color: Blue

Customization: This product is not customizable.
