

Inspired by an ancient Chinese poem, the Moon Rabbit collection depicts a scene during Mid-Autumn Festival where a rabbit and the moon are the key characters. Designer Huang Hong uses an Italian engraving technique to carve the rabbit ears in order to make them appear more life-like. She uses both white gold and yellow gold for the diamond pendant to vividly represent the colors of the rabbit and the moon respectively.

Dimensions: L1.3 x W1 cm

Primary Material: Gold

Primary Color: Gold

Customization: This product is not customizable.
