

This product is part of a special series created by Thai textile collective OneMoreThing in collaboration with artist collective, Hybrid Designers.

The design is inspired by *gongtek*, silver and gold papers used as offerings at traditional Thai shrines and temples.

The rounded pillow is made with woven polyester fibers using jacquard techniques, ensuring a soft feel and versatile look. It is adorned with 4-point patterned buttons and stitched edges. The pillow adds a splash of personality to any space.

Dimensions: L50 x W50 x H15 cm
