

The linen bedding by Annette invites you to indulge in its beauty and simplicity.

The linen sheets are put through a delicate stonewashing process. The results are linen sheets which drape beautifully, are soft and luxurious to touch, and have a charming fade to the color.

The fabric is breathable, gentle against the skin, and cool to touch, which makes these linen sheets perfect for the warmer nights, and a luxury to sleep on. The best part is that linen is known to age gracefully and only get softer and better over time with use.

Each fitted sheet set includes pillowcase(s) and a fitted sheet, and comes packed in a linen drawstring bag.
