

Infused with green coffee bean oil and six-peptide complex, the Treatment Lotion is designed to instantly hydrate skin, balance skin pH levels, and prime the skin to better receive products to follow.

The six-peptide complex helps boost natural skin regeneration and smooth skin texture. The peppermint leaf extract brightens and awakens the overall complexion, while freesia refracta extract and chamomilla flower extract soothes irritated skin. This is a vegan formula, suitable for all skin types.
