

This lightweight daily lotion instantly softens and refreshes skin, while filling it with moisture and sensorial scents.

Enriched with squalene and panthenol, its smooth texture gently absorbs into dry or rough skin to restore moisture balance. The antioxidant-rich botanical oils replenish skin with nutrients for visibly healthy skin. Fortified with green coffee bean oil, rich in fatty acids and Vitamin E, it supports the collagen generation process, while enhancing the smoothness and helping protect the skin barrier. Skin feels lastingly moisturized and touchably soft from the very first application. This is a vegan formula.
