

Enriched with toning green coffee bean oil, this velvety cream for hands and nails effectively moisturizes and helps protect the skin barrier and cuticles.

The chiffony smooth texture (silicone-free) quickly melts into skin and beautifies hands to the very tip of the fingers. Concentrated with moisturizing and firming ingredients such as shea butter, caffeine, and panthenol, it keeps hands soft while tackling fine lines. The enchanting botanical essential oil blend of mandarin, bergamot, and sage calmly lasts on hands to enrich one's mood. This is a vegan formula.
