

Tremella is often referred to as the "beauty mushroom". It contains polysaccharides stimulating enzymes that support the effects of anti-ageing and improve overall skin health. Tremella is also high in Vitamin D, which is not only beneficial for the skin but also an essential requirement for healthy teeth and bones. Think of the Beauty Coffee Elixir as nature's Vitamin D powerhouse for healthy hair, skin, and nails.

Each box contains 10 Nespresso-compatible coffee pods.
