

This plant-based, 100% natural, and gentle Hydrating Zinc Oxide Cream creates barrier to protect skin from moisture damage. It helps to soothe conditions such as weeping eczema that oozes, speeds up recovery, and fights itchiness. The formula is also anti-inflammatory, antifungal, antibacterial and works well for acne-ridden skin.

Directions for use: Generously apply the cream on the affected areas, nappy area, and in the folds of the skin after each nappy change.

Dimensions: L6 x W6 x H4 cm (30ml)
