

The Starry Night Tea Set, comprising 1 teapot and 2 cups, is a stunning piece that is sure to get the conversation started.

Parts of the teapot and the cups are composed of opaline and glass, fired at high temperatures to produce a galaxy of stars that shines with light, giving the teapot its name. Only when you look closely from the top will you see the stars concentrated at the knob of the teapot lid. The brass handle creates an unexpected contrast with the glass and adds an extra layer of reflection, portraying a dark night sky glittering with light from distant stars.

Dimensions:

Pot: L13 x W8 x H10 cm

Cup: L5 x W5 x H3.6 cm
