

This piece is part of a limited-edition "Where Sea Meets Shore" capsule of zero-waste loungewear designed in partnership with Hong Kong "fashion surgeons", Fashion Clinic. Inspired by ocean blues, the fluidity of water, and the serenity and softness of wearing a piece of nature, this modern take on the classic harem pants features a paper bag waist, pockets, and a cropped length. It can be paired with SoL the label's kimono robe and a sleeveless top for a complete look.
