

The design of this vase inherently makes it easier to create a mesmerizing floral arrangement.

The Turpentine Green glaze is not a solid color glaze, but a gradient one that is only produced by firing objects at very high temperature. The final object showcases beautiful imperfections between blue and green. This delicate process has been perfected by the Mooyee artisans.

Dimensions:

Small: L11 x W11 x H13 cm

Medium: L15.5 x W15.5 x H18.5 cm
