

The design of this vase inherently makes it easier to create a mesmerizing floral arrangement.

The blue or brown glazes are achieved by firing the object at very high temperatures and by mixing different oxides and natural ores. Each model is superimposed with 4 different color glazes, allowing them to flow naturally during the firing process, thus presenting different hanging glaze effects.

Dimensions: L11 x W11 x H13 cm

Primary Material: Ceramics

Primary Color: Blue

Available Variants:

Customization: This product is not customizable.
