

This bar was developed in partnership with our friends at COA - a star watering hole in Hong Kong unmatched in the history of 'Asia's 50 Best Bars', as the first-ever bar to be thrice-awarded their coveted No. 1 position - using a Mezcal from innovative spirit company EcoSpirit to showcase the unique smokey and mineral notes of the mezcal in a chocolate bar.

Agave and cacao grow in the same terroir and have both long-standing gastronomic traditions built around the plants. These two make sense together and create a harmonious flavor pairing.
