

The Dried Morel Mushroom is an extremely precious natural supplement, rich in protein, vitamins, and more than 20 kinds of amino acids. It has a delicious taste and is rich in nutrition, offering the same functional properties as cordyceps, and is thus a natural tonic that does not contain any hormones and has no side effects.

This mushroom promotes healthy gastrointestinal digestion, regulates phlegm, and invigorates the brain and kidneys. In addition, it also strengthens the body, preventing colds and enhancing immunity.
