

Resting Beach Face SPF30 Sunscreen Serum is a multi-effect sunscreen serum that combines skincare and suncare. Your do-it-all moisturizer and protector against harsh rays, dehydration, and pollution.

The SPF30 serum has been dermatologically tested. It is ultra-lightweight and 100% invisible. The serum doubles as a hydrating moisturizer and leaves a healthy lit-from-within glow. Works well alone and under make-up.

The serum is turbocharged with hyaluronic acid, pentavitin, and plant-powered antioxidants with anti-pollution properties for city living.
