

Introducing "*Ekaantrik*", a meticulously crafted set of 3 cheese knives that epitomize elegance and functionality. Each knife has a solid lead-free brass handle, meticulously shaped and paired with a sleek stainless steel body. Inspired by the mesmerizing beauty of concentric circles, these knives add a touch of sophistication to your cheese-tasting experience.

Discover the art of hosting with *Ekaantrik*, where every slice embodies the perfect balance of style and utility, making every cheese platter a work of culinary art.
