

Dive into the depths of gifting with "Samudra" — where every foldable gift card is inspired by the bright corals hidden deep in the ocean's depths. Crafted using sustainable hemp paper, each card embodies the spirit of the ocean, echoing its timeless beauty and eco-conscious ethos.

Enclosed in handmade hemp paper envelopes, our gift cards are not just tokens of appreciation, but vessels of sustainability and serenity. Make waves with your presents — express your sentiments with our thoughtful "Samudra" Stationary Collection.
