

The Campaign Char Series 2 chair is a sophisticated fusion of classic charm and modern elegance. It features a beautifully crafted folding mahogany wood frame, exuding warmth and timeless appeal. The seat is upholstered in luxurious square lizard silver-gray leather, offering a unique texture that enhances its aesthetic. Black arms add a striking contrast, while tasteful nickel details provide a touch of contemporary flair.

This chair is not only a statement piece but also a comfortable addition to any space, perfect for those who appreciate refined design.
