

The Blomstre's hand-poured candles are made from eco-friendly, vegan, renewable, and biodegradable soy wax with a wood wick that helps the natural soy wax to burn more slowly and evenly, with a wider, lower flame and excellent throw. Each candle is made with hand-picked ranges of high-grade natural essential oils from the United States, Korea, and Hong Kong that diffuse longer in the air.

An elevated escape captured in wax. ALTA opens with warm, alluring notes of rich sandalwood and gentle spice, unfolding into a heart of soothing lavender and crisp cedar. Each flicker wraps your space in a woody, comforting embrace, balanced with subtle sweetness that lingers beautifully.

A candle that lifts the spirit, offering a luxurious, year-round scent experience—woody, spicy, and effortlessly elegant.
