

The Blomstre's hand-poured candles are made from eco-friendly, vegan, renewable, and biodegradable soy wax with a wood wick that helps the natural soy wax to burn more slowly and evenly, with a wider, lower flame and excellent throw. Each candle is made with hand-picked ranges of high-grade natural essential oils from the United States, Korea, and Hong Kong that diffuse longer in the air.

A cozy holiday escape captured in wax. GLØGG opens with sparkling orange peel, tart cranberries, and the warm sweetness of apple cider, evoking the comforting embrace of festive traditions. Beneath the glow, soft, woody cedarwood notes linger, wrapping your space in warmth and seasonal charm.

A candle that fills your home with nostalgia, cheer, and the comforting magic of winter evenings—perfect for slow nights, gatherings, or simply savouring the spirit of the season.
