

The Blomstre's hand-poured candles are made from eco-friendly, vegan, renewable, and biodegradable soy wax with a wood wick that helps the natural soy wax to burn more slowly and evenly, with a wider, lower flame and excellent throw. Each candle is made with hand-picked ranges of high-grade natural essential oils from the United States, Korea, and Hong Kong that diffuse longer in the air.

A warm, inviting retreat captured in wax. Casero opens with rich, woody notes of smoke, oud, and musk, softened by a subtle touch of sweet spearmint that lifts and balances the fragrance. Each flicker evokes cozy winter evenings and festive cheer, wrapping your space in warmth, sophistication, and quiet delight.

A candle that serenades the senses with a harmonious blend of depth and freshness, perfect for creating a comforting, joyful atmosphere all season long.
