

The Blomstre's hand-poured candles are made from eco-friendly, vegan, renewable, and biodegradable soy wax with a wood wick that helps the natural soy wax to burn more slowly and evenly, with a wider, lower flame and excellent throw. Each candle is made with hand-picked ranges of high-grade natural essential oils from the United States, Korea, and Hong Kong that diffuse longer in the air.

A serene escape captured in wax. Amber & Driftwood opens with airy ozone and a whisper of citrus, lifting the senses with a fresh, luminous touch. Heart notes of warm sandalwood and soft musk unfold, smoothed by lightly sweet benzoin, while a rich, woody base lingers like sun-warmed driftwood on the shore.

A candle that transforms any space into a calm, everyday sanctuary—earthy, elegant, and softly luxurious with every flicker.
