

The Blomstre's hand-poured candles are made from eco-friendly, vegan, renewable, and biodegradable soy wax with a wood wick that helps the natural soy wax to burn more slowly and evenly, with a wider, lower flame and excellent throw. Each candle is made with hand-picked ranges of high-grade natural essential oils from the United States, Korea, and Hong Kong that diffuse longer in the air.

A bold awakening captured in wax. This fragrance fuses rich, energizing coffee with the warm, oaky spice of whiskey, creating a scent that's simultaneously invigorating and comforting. Each flicker carries the essence of cozy mornings and spirited evenings, perfect for those who crave a touch of luxury in every moment.

A candle that stirs the senses, leaving an unforgettable impression for coffee lovers, whiskey aficionados, and anyone who loves a scent with character.
