

The Blomstre's hand-poured candles are made from eco-friendly, vegan, renewable, and biodegradable soy wax with a wood wick that helps the natural soy wax to burn more slowly and evenly, with a wider, lower flame and excellent throw. Each candle is made with hand-picked ranges of high-grade natural essential oils from the United States, Korea, and Hong Kong that diffuse longer in the air.

Step into a winter wonderland captured in wax. Mistletoe begins with a sparkling burst of orange peel and a gentle whisper of cinnamon, evoking the first crackle of a holiday fire. Beneath the glow, cypress and ginger mingle with soft, woody undertones, while fir and pine linger like snow-kissed branches, clean, crisp, and comforting. A candle that wraps your space in seasonal magic, inviting warmth, joy, and the soft hush of festive moments.
