

Cairn Lantern is made of handcrafted bamboo frames and mulberry paper in the shape of stacked stones which represents a peaceful soul. Cairn or Stacked Stones is also used as a form of prayer in different cultures. Cairn in Japanese culture was meant to pay respect to deceased souls. It was found along mountain trails and roadways and developed into a form of a little monk.

Each item is made to order and handmade by a specific individual artisan.

Dimensions: W35 x H65 cm

*Note: If your total order from Sumphat Gallery results in packaging that is **larger than 1 cubic meter**, they will need to use a crate to pack the products together for a **packaging fee of US\$195**. Vermillion's Client Services team will contact you should this be applicable to your order.*
